## Order numbers

| Licenses | Order number |
|---|---|
| **HYDRO***com* **6 Professional** (3 licenses) | 8874-19-01.01 |
| **HYDRO***com* **6 Full** (3 licenses) | 8874-19-01.02 |
| **HYDRO***com* **6 Basic** | 8874-19-01.03 |
| Upgrade **HYDRO***com* **6 Full** to **Professional** (3 licenses) | 8874-19-02.01 |
| **HYDRO***com* **6 Professional** (15 licenses) | 8874-19-03.01 |
| **HYDRO***com* **6 Full** (15 licenses) | 8874-19-03.03 |
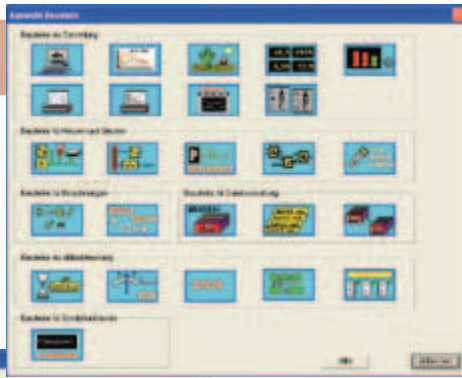

# HYDRO*gen*

- **Compose measuring and test sequences**
- **Standardise measuring tasks**
- **Map test specifications and norms**
- **Evidential documentation of measurements**
- **Executable in the instrument or on a PC**
- **Low training efforts**
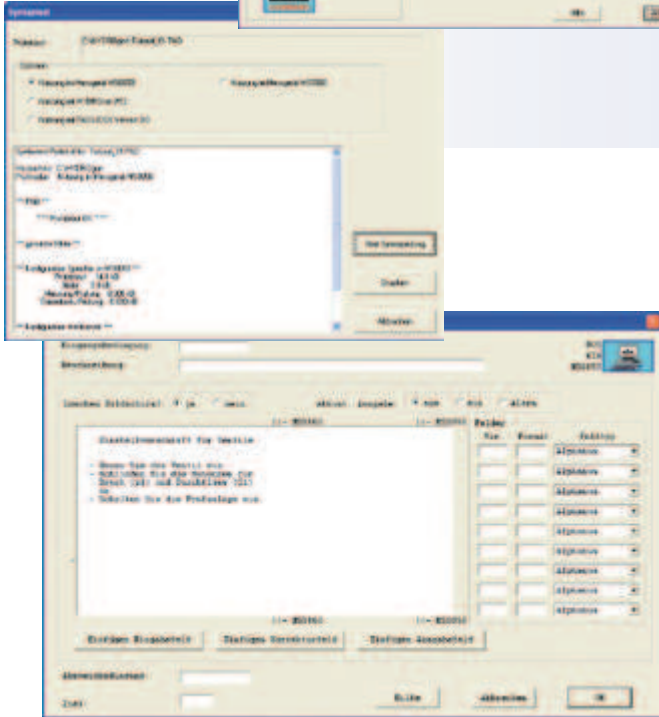

| Single user license | 8874-01-01.55 |
|---|---|
| Compatible with | MultiSystem 8050 |
| | MultiControl 8050 |
| | MultiSystem5060 |

# HYDRO*run*

- **Execution of HYDRO*gen* test sequences**
- **Self-explanatory program surface**
- **Compatible with many operation systems**
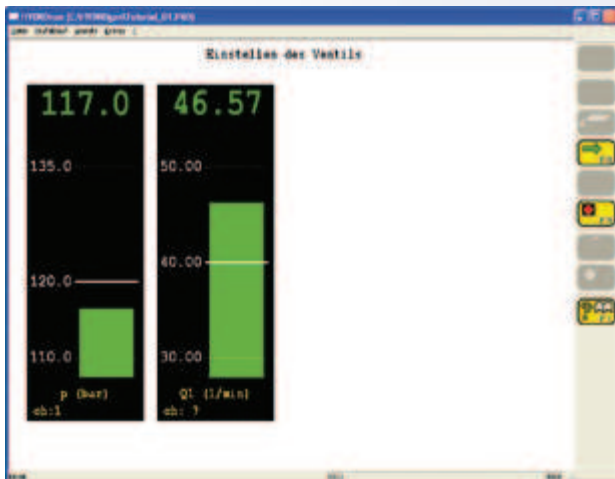

| Single user license | contained in **HYDRO*gen*** |
|---|---|
| Compatible with | MultiSystem 8050 |
| | MultiControl 8050 |
| | MultiSystem 5060 |

*Software*

# HYDRO*link*

- **Remote control and connect measuring systems**
- **Full device functionality on a PC**
- **Online measurements**
- **For all MultiSystem / MultiControl instruments**
- **Easy operation**
- **Clearly arranged program surface**

| Single user license | 8874-00-07.01 |
|---|---|
| Compatible with | MultiSystem 8050 |
| | MultiControl 8050 |
| | MultiPanel 8050 |
| | MultiSystem 5060 |

# HYDRO*boot*

- **Firmware update for measuring systems**
- **Displays the firmware versions**
- **Compatible with USB and serial interfaces**
- **Data transfer via network**
- **Free download from www.hydrotechnik.com**

| Single user license | 8874-00-06.01 |
|---|---|
| Compatible with | MultiHandy 302x |
| | MultiHandy 3050 |
| | MultiBox 306x |
| | MultiSystem 5060 |
| | MultiSystem 8050 |
| | MultiControl 8050 |
| Firmware update for MultiHandy 2020 | on request |
